

GRAY TRUCKING RULES TARIFF
EFFECTIVE September 1st, 2015

Item 100 CLAIMS, LOSS AND DAMAGED SHIPMENTS

Carrier shall not be liable for cargo loss and claims which do not exceed \$50.00
Deduction of loss and/or damage claims from freight bills is unlawful and prohibited.
All claims with visible damage must be made within 15 days and MUST be noted on bill
of lading at time of delivery. All other claims must be made in writing within 30 days.
All damaged freight becomes the property of the carrier upon payment of claim.
The maximum liability per shipment is \$.50C per pound.

Item 110 FUEL SURCHARGE

The fuel surcharge is adjusted based on the US Department of Energy's National
Average Diesel Fuel Index in effect. Fuel surcharge is applicable on transportation
charges only. **Fuel Surcharge Chart at end of rules.**

Item 120 INSIDE DELIVERY

An additional minimum charge of \$45.00 will be added to the freight bill when carrier is
required to bring the freight into the structure on the same level. If the inside delivery
requires more than 30 minutes, a charge of \$75.00 per hour shall apply and will be
charged at \$1.25 per minute for the duration of the delivery.

Item 130 NEW YORK METRO DELIVERY – CONGESTION CHARGES

An additional charge of \$100.00 per truckload shipment or dedicated straight truck will
be applicable when the carrier is required to deliver to the five boroughs that are New
York City. For LTL shipments an additional charge of \$50.00 per shipment will be
charged on shipments of 1-2 pallets. An additional charge of \$75.00 will be added to
shipments of 3-5 pallets, 6 pallets or more an additional charge of \$100.00 will be added.

Item 140 BLIND SHIPMENT REQUEST

This service applies on prepaid shipments only and request is to be made in writing to the
carrier. When this service is requested, a \$45.00 charge will be added to the freight
charges. The replacement bill of lading must be completed by the payor of the freight
charges and emailed to Gray Trucking prior to delivery. The shipment cannot contain
Hazardous materials. Gray Trucking will not ensure the confidentiality of the
transaction.

Item 141 CARRIER REQUIRED PAPERWORK

If carrier is required to create a bill of lading, an administration charge of \$25 per shipment will apply; all changes to correct delivery information will incur a separate \$25 charge.

Item 142 CARRIER REQUIRED ADVANCE FEES

If carrier is required to advance money via Comcheck or any other method, to pay for lumpers, or any other auxiliary charges, an administration charge of \$25 per shipment will apply.

Item 150 COLLECT ON DELIVERY SHIPMENTS (C.O.D.)

The bill of lading must be clearly marked when requesting this service. The charge for this service is 3% of the amount collected with a minimum charge of \$30.00 or a maximum of \$500.00.

Item 160 STOP-OFF CHARGES

Shipments requiring a pickup or delivery at multiple locations will be subject to a stop-off charge of \$100 for the first stop-off, \$150 for the second stop-off, \$200 for the third stop-off and \$250 for the fourth additional stop.

Item 170 DETENTION WITH POWER UNIT

LTL shipments are allowed 30 minutes free time and TL shipments are allowed 120 minutes free time. Once free time has expired an additional charge of \$75.00 per hour will be charged in 15 minute increments. Payor of the freight is always responsible for additional detention or accessorial charges, Gray Trucking will not invoice Payor's customer under any circumstances.

Item 171 DETENTION WITHOUT POWER UNIT

Trailers left at a customer premises are subject to a charge of \$50.00 per day, repositioning charges may apply.

Item 180 LIFTGATE

This charge will be applied when a liftgate is required to complete a delivery, or pick-up. An additional charge of \$30.00 for LTL shipments will be added to the freight bill, and

\$1.25 per minute of delivery time beyond 30 minutes from arrival time at the consignee shall apply. A TL requiring a liftgate will be subject to an additional charge of \$200.00 each for either a pick up or delivery. If TL liftgate is required on both pick up & delivery a \$400.00 charge will be applied.

Item 190 DRIVER UNLOAD/LOAD

This charge is applicable when the driver is required to assist in the loading or unloading of any freight from the trailer or truck. The charge for this is \$75.00 per hour charge in quarter hour increments with a \$30.00 minimum. This does not include inside delivery.

Item 200 TRUCK ORDERED NOT USED

This charge is applicable when equipment is ordered and canceled after the truck has been dispatched. The charge is \$3.00 per mile from point of dispatch, subject to a minimum charge of \$100.00 per straight truck. \$150.00 per tractor trailer.

Item 210 PALLET JACK

If a pallet jack is required at the time of the pick-up or delivery and the carrier is responsible for providing that pallet jack, a charge of \$40.00 will be added to the freight invoice.

Item 220 ELECTRIC PALLET JACK

If an electric pallet jack is required at the time of the pick-up or delivery and the carrier is responsible for providing that pallet jack, a charge of \$125.00 will be added to the freight invoice.

Item 230 SORT AND SEGREGATE

This charge shall be applied when the delivery requires the driver to break down a pallet and separate by lots or lot numbers. The charge for this service is \$3.00 per hundred with a minimum charge of \$75.00 additional to any other accessorial charges.

Item 240 RESIDENTIAL DELIVERY

This charge shall be applicable when the carrier is required to deliver to a residential area. The charge for this is \$75.00 per shipment.

Item 250 HAZARDOUS MATERIALS CHARGE

This charge is applicable when the carrier is required to transport hazardous materials (Haz Mat). The charge for this service is \$35.00 per LTL shipment and \$75.00 per truckload shipment.

Item 260 RETURN TO ORIGIN

If the shipment is refused or undeliverable and therefore must be returned, the shipment will be charged at the full rate of delivery plus the lowest deferred rate for the return.

Item 270 RECONSIGNMENT

If a shipment is undeliverable, and must be reconsigned, the shipment will be billed at the rate for the incorrect address, plus \$75 per hour with a \$30.00 minimum charge.

Item 280 NOTIFICATIONS

If a shipment requires the carrier to notify the consignee while enroute, a \$25.00 charge will apply.

Item 290 REDELIVERY

If a shipment is refused or undeliverable, the shipment will be charged for an additional second delivery not to exceed the cost of the first delivery.

Item 300 COASTAL ARBITRARY

If a shipment is to be delivered east of the GSP and south east of ACX (Cape May, Atlantic & Cumberland Counties) a coastal arbitrary rate of \$50.00 charge will be added.

Item 310 GUARANTEED SERVICES

Guaranteed services must be arranged and quoted prior to shipment being picked up.

Item 320 APPOINTMENTS at PICKUP or DELIVERY

Any LTL shipment requiring an appointment will be assessed a fee of \$25.00 per appointment. Any TL shipment will be assessed a fee of \$100.00. If appointments are required for both pick up AND delivery, fees will be charged for both services. If the appointment time is before or after business hours, services must be arranged and quoted prior to shipment being picked up.

Item 330 FINES AND PENALTIES

Under no circumstances will carrier be responsible for fines or penalties for being late unless advised that said penalties may exist in advance of shipment, in which case a quoted rate will be required that will supersede any existing rates in place.

Shipments that result in carrier having to use a public scale to correct improper loading will be charged \$35.00 plus the cost of the use of the scale.

If a parking ticket is incurred at either the pick up or the delivery, the cost will be added to customer's invoice.

If carrier receives a shipment that results in an overweight fine, the cost will be added to customer's invoice.
